5th March 2020

Dear Julian Kunkel and Luciana Pedro,

I am writing to apply for the Registration Subsidy for the HPC summer school in August 2020 of £350. Being in my final year of my PhD means I have used all of my travel funding as part of my stipend, therefore I cannot attend this school without assistance.

I am relatively local to Reading (about 1 hours drive) and therefore do not need accommodation, but I would really appreciate the opportunity to attend the sessions: both the lectures and the practicals.

Thank you for understanding,

Kind Regards

Sophia Moreton
