

Physics Advanced Research Centre,  
Sheda Science and Technology Complex,  
FCT- Abuja,  
Nigeria.

4th March, 2020.

Dear Sir,

**APPLICATION FOR TRAVEL SUBSIDY**

I hereby write to solicit for subsidy to attend the summer school on Summer School on Effective HPC for Climate and Weather, which will hold between 23 - 28th of August, 2020 at the University of Reading, Whiteknights Campus, Reading, United Kingdom.

**Justification for the subsidization:** I am a Research Fellow II at Physics Advanced Research Centre of Sheda Science and Technology Complex (SHESECO), Abuja, Nigeria. Presently, I am on Grade level 9, step 2 on Consolidated Research and Allied Institutions Salary Structure (CONRAISS) with annual salary of one million, seven hundred and forty-eight thousand, four hundred and ninety seven naira (₦1,748,497), which is equivalent to £3,748 annually and £312.33 monthly with tax and other deductions inclusive. Also, my Institutions don't always pay for training due to paucity of fund as I was told in 2016 and 2017 respectively when I travelled for CAS-TWAS-WMO Forum both in Beijing, China.

**The requested Level of Subsidy:** Travel Subsidy

**Tentative cost Estimate:** Approximate cost of **£1,650**

1.	Two-way airfare( From Abuja, Nigeria)	£850
2.	Full Package Registration	£800
	<b>Total</b>	<b>£1,650</b>

I will be grateful if my application is favuorably considered.  
Thank you.

Yours faithfully,

**Gabriel Oluseyi Oyerinde**
